

NRRC DECEMBER NEWSLETTER 2020

A huge thank you to this year's committee and members for supporting NRRC through the randomness of 2020!

We managed to get a good start in January, February and March, seems such a long time ago! with some club training at Holly Park and area 4 show jumping and combined training competitions at Bishop Burton.

It was great to start training again in July using Stainers farm equestrian, Thornthorpe equestrian and Carr farm. Thankfully we were also able to run the pleasure ride from Nawton tower which was a beautiful clear day enabling us to enjoy the stunning scenery. Thanks Ann for getting permissions and Bob for marking both routes out!

It is coming round to renewal of membership. BRC have notified us that affiliation fees, due to insurance increase, will be going up for 2021. However, NRRC has decided to keep the membership costs the same as 2020: Senior £28.50, Junior £21.50, Non Rider £18.50

Staying positive that we will continue training, competing (and doing stuff!) next year please send completed membership forms to nrrc.membership@gmail.com As usual if you are wishing to compete in Area 4 and attend the discounted training in January and February you will need to rejoin ASAP so we can forward details to British Riding Club and set you up ready to complete your membership in time.

Big thanks go to those stepping down from the committee for work done for NRRC and many thanks to those staying on and joining the committee.

Chairperson: Ellie Grayson

Secretary: Joc Studdart

Treasurer: Jane Naish

Vice Chairperson: Sheila McHugh

Membership Secretary: Jane Naish

A4 Secretary: Ruth Marley

Safeguarding: Joc Studdart

Other committee Members: Jo Milnes, Helen Taylor and Gill Richardson

Last year Ann Sibsey reduced her role in the club due to other commitments, but kept some involvement with A4 competing, but has decided to step back from the committee altogether now. Ann has been involved with and has supported the club for many years and has made a huge contribution and we appreciate this immensely, thank you Ann.

Bob has been treasurer for 2 years and done a great job with this and also has worked very hard organising the pleasure ride, we thank him for all his contributions.

Earlier in the year Abby Collier resigned from her role as Vice Chairperson due to other commitments. She has worked hard for the club especially in organising training and the annual show, thank you Abby.
